

the what: A gathering born from the desire for people to share and learn in an open environment, Real Estate BarCamp is an enjoyably intensive event with discussions, demos, and lots of attendee participation. Don't be talked at, interact! Learn how to use new tools to reach buyers and sellers; by real estate professionals for real estate professionals. It's a style of learning that has taken the industry by storm and we're excited to bring the first of its kind to the Twin Cities.

the who: Real Estate BarCamp welcomes real estate industry people, including agents, brokers, lenders, inspectors, Stagers, title reps, coaches, geeks, nongeeks, geek wannabes and anyone who is interested in learning and sharing knowledge in a freely collaborative environment. The goal of BarCamp is to reach out to people who will increase the common intelligence about new technologies and to create opportunities for cross-fertilization between people and new ideas.
